How to claim your non-accredited CPD credits

- As a guide, Meitheal Services has highlighted the relevant information for these sessions that may be included in your personal CPD plan/record.
- You can record this activity for free via lnrx.co - either during the session on your mobile device via the [lnrx](https://lnrx.co) app, or afterwards via the [lnrx](https://lnrx.co) website.
- In addition to the information provided by Meitheal Services, you must include in your personal CPD plan/record a reflection on how the activity has impacted your practice.

Disclaimer

- The session providers will not be issuing CPD certificates, or certificates of attendance.
- Registration to the event does not provide evidence of attendance for CPD requirements - it is the responsibility of the individual pharmacist to document their attendance via their individual CPD plan/record (or via lnrx.co as outlined above).
- After a CPD activity has been undertaken, you should consider whether/how the activity has impacted your practice (this should also be documented on your CPD plan).
- If the activity did not address your CPD needs and will not impact your practice, it cannot be counted as CPD and contribute towards you meeting the requirements of the CPD standard.
